## Louisiana Bar Association Oral History Project

Chief Judge Felicia Toney Williams has been nominated to become part of the Louisiana Bar Foundation (LBF) Oral History. She is the first woman and African American to serve as Chief Judge of the Louisiana Second Circuit Court of Appeal.

The Louisiana Bar Foundation Education Committee produces a continuing series of oral histories. The series is a part of the Committee's plans to systematically broaden the LBF's work to preserve the history, culture and flavor of Louisiana Law. The goal is to put into place a system for regularly recording oral histories of retiring judges, bar leaders and other legal personalities. These video presentations will then be available for use in classrooms, Continuing Legal Education seminars and other venues to preserve, honor, and improve our system of justice.
