Our courts should be celebrated as the one branch apart from politics.

Voters must be educated about special interest efforts to politicize the courts.

The courts must be protected from those who would politicize them.

Judges should be judged on their character and integrity.

OUR COURTS SHOULD BE CELEBRATED AS THE ONE BRANCH APART FROM POLITICS

Founding Fathers created our courts to stand apart from politics in order to uphold the Constitution

VOTERS MUST BE EDUCATED ABOUT SPECIAL INTEREST EFFORTS TO POLITICIZE THE COURTS

- Voters must be educated about the value of fair and impartial courts

FAIR AND IMPARTIAL COURTS ARE A SACRED TENET OF OUR DEMOCRACY

System of checks and balances, low special interest influence in the selection and retention process, and judicial independence can ensure that we have equal justice for all and an informed voter

- Fair and impartial courts should be protected from those who would politicize them through special interest efforts to politicize the courts

SHOULD BE JUDGED ON THEIR CHARACTER AND INTEGRITY

- How judges are selected varies from state to state, but all systems share a common goal – to ensure that those on the bench have the oath to hand out fair, impartial and independent justice under the law. As the judicial cycle begins, voters must understand
