WE WANT YOU

NAWJ membership drive will end in March. There is a reduced membership rate for students and individuals who join the NAWJ for the first time. It is important that we grow our organization. We are asking each member to assist in recruiting new members to join the NAWJ. Our goal is to double our membership in 2019. If everyone of our members brings in one members we can do it! Also, men can join as well. For convenience, potential members can join by clicking on the following link, <https://www.nawj.org/join>.
