Report from District III – Co-Director
Honorable Sandra Ann Robinson

Delaware, Pennsylvania, Virgin Islands, New Jersey

District III NAWJ States leaders are soliciting new judges to become members and current judges to renew memberships. The Pandemic has created very difficult times, with judges' working from home on Zoom. During a District III telephone meeting at the end of 2019 a lively discussion occurred with ideas about virtual receptions and Get-Acquainted Nights featuring separately: (1) Assignment Judges and (2) State Supreme Court Justices.

When the NJ COJ is completed in April 2021 the states will concentrate on virtual membership events!
