

## DISTRICT 8 NEWS

District 8 held its meeting on January 22, 2026. Members (and those interested in becoming members) discussed upcoming activities for the next three months--in particular, the Color of Justice presentations.

Thus far, we have identified 2 schools and 1 school district in which to present:

- February 12th (tentative)-Orville Bright Elementary School
- March 6th- Muchin High School
- April (date TBD)-Homewood Flossmoor School District

These schools are located in Illinois, so I encourage our Indiana and Kentucky members to please join us at the next meeting so that your area schools can benefit from this valuable program.

To that end, members will continue reaching out to the District 8 membership in all 3 states.

At our next meeting, we will explore AI presentations on topics such as courtroom operations and legal research-we also hope to have feedback on our first presentation at Orville Bright Elementary School.

Members reachLet's not forget about fun networking-we would like to plan an outing at the Kentucky Derby or a visit to a winery in Indiana-so Kentucky and Indiana members-we need you!

Our next meeting is on February 19, 2026 at 3:30 pm CST.
