

District 8 Report September 10, 2021

Director: Judge Ann Breen-Greco

Illinois, Kentucky, Indiana

District 8 continues to work on two programs: one, mentor jet justice for law students and one color of justice.

I have also put forward the following amendment for the proposed bylaws:

*"NAWJ individual members will not be deemed to endorse positions and policies adopted by NAWJ that conflict with a judge's obligation to comply with the Government Code of Judicial Conduct in the Judge's jurisdiction. Any member may abstain formally on the record on any matter that might be a conflict or deemed 'political'."*
