MIDYEAR LEADERSHIP CONFERENCE

Washington, D.C. March 13-15, 2014

ENSURING ACCESS TO
JUSTICE *for* **ALL**

The National Association of Women Judges' mission is to promote the judicial role of protecting the rights of individuals under the rule of law through strong, committed, diverse judicial leadership, fairness and equality in the courts, and equal access to justice.

Since 1979, the National Association of Women Judges has fought to preserve judicial independence, ensure equal justice and access to the courts for women, minorities and other historically disfavored groups, to increase the number and promote the advancement of women judges at all levels, and provide cutting-edge judicial education. NAWJ's diverse membership includes women and men at all levels of the federal, state, tribal, military and administrative judiciary from every state and territory in the nation, as well as attorneys, law clerks, law students and law professors committed to our mission of diversity and equality in the system of justice.
