Amongst the Grapes: Napa Wine Tasting
Sunday, October 17
10:30am - 2:30pm
$108.00 per person

Tantalize your taste buds and build upon your wine knowledge with a visit and wine tasting at two wineries in Napa Valley - the center of the US wine industry. With more than 45,000 acres devoted to grapes, it is just one-eighth the size of Bordeaux, France. Excursion includes deluxe motor coach ride through the scenic hills of the Carneros Region of Napa Valley and a visit to two wineries with wine tasting included.

We will visit:

Set high into a hilltop with panoramic views of Napa Valley, San Francisco Bay and its own estate vineyards, it's easy to see why Artesa is called the Jewel of Carneros. Perhaps no other winery captures the multi-faceted beauty of this windswept, world-famous appellation as dramatically as the Artesa estate, where the fusion of architecture, artistry and winegrowing reaches soaring heights.

We will also visit Bouchaine Vineyards, the oldest continually operated winery in the Carneros region of Napa Valley. Established in 1928 by Italian immigrant Johnny Garetto, and still specializing in novel Burgundian varietals, mainly Pinot Noir and Chardonnay.

While at Bouchaine Vineyards, guests are invited to walk the vineyards at your own leisure, and discover the story of grape growing, terroir, and sustainable vineyard practices as they relate to the winemaking and resulting wines.
Just over the world famous Golden Gate Bridge from the city, is an area of immense physical beauty. Marin County is home to some of the oldest trees on earth. Muir Woods, named after Naturalist John Muir, is a majestic grove of the world’s tallest trees - the Giant Virgin Redwood Sequoias. Found nowhere else on earth, the redwoods are one of California’s top attractions. The loftiest tree in Muir Woods, if in the San Francisco Bay, would reach about 35 feet higher than the Golden Gate Bridge roadway! Guests may listen to a Muir Woods Naturalist speak about Redwood Ecology, Park History, and Animals in Muir Woods, while enjoying the breathtaking views of this majestic park.

Leaving the tranquility of the Redwoods, your next visit will be to the bustling village of Sausalito, hugging the shore of the San Francisco Bay. Distinctive shops, galleries, bou tiques, and charming restaurants lure visitors from all over the world. Guests will enjoy a stop at a unique art gallery along a casual walk through the downtown area. A wine tasting will be held as guests enjoy time to peruse the gallery. Time on own will also be allowed for guests to browse through the various shops or to pop into one of the many cozy cafés, while enjoying the view of San Francisco and the Bay.
